

YOLO-SOLANO AIR QUALITY MANAGEMENT DISTRICT

ACCOUNTING SPECIALIST

Job Description

DEFINITION

Under direction, performs professional accounting work related to the maintenance of District finance and accounting records; prepares financial report statements and special financial analyses; performs highly responsible and complex professional duties involved in the financial reporting, analyzing, and auditing of financial transactions for the District and perform other related work as required.

The Accounting Specialist is distinguished by the degree of independence with which they perform their duties of handling the most difficult and complex work. Incumbents perform various tasks and functions with minimal instruction or orientation on the technical specifics of the program or work unit for which the accounting is being performed.

SUPERVISION RECEIVED AND EXERCISED

The Accounting Specialist receives general supervision from an assigned lead person, supervisor, or manager. The Accounting Specialist may exercise functional and technical direction or leadership to others assisting in special projects and/or programs assigned to the position.

EXAMPLES OF ESSENTIAL JOB FUNCTIONS

Management reserves the right to add, modify, change, or rescind the work assignments of this position. Management will make reasonable accommodations so that qualified employees can perform the essential functions of the job pursuant to the Americans with Disabilities Act (ADA) and the Fair Employment and Housing Act (FEHA)
