**Yolo-Solano Air Quality Management District
Public Workshop Notice**

Proposed Adoption of
Rule 2.46, ORGANIC WASTE COMPOSTING OPERATIONS

The Yolo-Solano Air Quality Management District (District) staff will hold a public workshop to discuss the proposed adoption of District Rule 2.46, ORGANIC WASTE COMPOSTING OPERATIONS. Rule 2.46 will reduce VOC emissions from composting operations by establishing mitigation measures for stockpiling and active phase composting of organic waste. This rule will become applicable if the Sacramento Federal Nonattainment Area (SFNA) fails to demonstrate attainment of any 8-hour federal ozone standard promulgated by the United States Environmental Protection Agency on or after March 12, 2008 by the respective attainment year and only for a standard for which the SFNA is listed as Severe or Extreme. The draft rule and draft staff report are available on the District's website (www.ysaqmd.org) or may be obtained by contacting Eden Winniford at (530) 757-3650.

The public workshop will be held at the following time and location:

Tuesday, October 29th at 2 p.m.
Yolo-Solano Air Quality Management District
1947 Galileo Court, Suite 103
Davis, California 95618
(530) 757-3650

The District invites written public comments to be submitted to Eden Winniford at the above address. Comments are to be received by the District by November 12th.
